RE: Strip Mining Clay DOGM File No.
S/043/014 - Summit County Utah

Dear Mr. Rhine:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations in Summit County. We received a copy of the notice on September 1, 1993.

This project is for surface mining of clay. The operation will involve less than 2 acres.

It does not appear that the operation as described will have any water quality impacts. A permit from this office is not required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
